Boil Water Rescind Notice

The Red River Authority of Texas has rescinded the July 6, 2023 Boil Water Notice for the Howardwick public water system. Your water no longer requires boiling.

The Authority has taken the necessary corrective actions to restore the quality of the water distributed by this system used for drinking water, and has notified the T C E Q.

You may access the rescind notice on our website at rra.texas.gov on the quick links tab.
